Easter Baskets For The Little One's Program

Each year The Salvation Army serves hundreds of children in various Salvation Army programs throughout San Antonio. Little Ones from the Child Development Center on the South side, the Boys and Girls Club near Woodlawn Lake, the families who are sheltered in our Emergency Shelter and the children from our Scattered Site program are not assured of the "extras" most children enjoy. Some will not receive birthday gifts, or "good grade" treats, or Easter Baskets.

NES is partnering with the Salvation Army in San Antonio, TX sponsoring 10 children at the Emergency Shelter with Easter Baskets. We are very delighted to have this opportunity and look forward to additional community involvement!
