Message from the President

Donald L. Mooney
President & CEO

The holiday season is a time to reflect on the past year, the things we would have to be thankful for, and the wonderful blessings life has granted us.

I would like to send my heartfelt thanks to all of our wonderful supporters, partners and staff who have worked so hard to serve the needs of our clients and community in 2008.

NURSES Etc STAFFING is a growing organization, with dedicated people committed to our mission. Every day, I see evidence of this commitment in the eyes of grateful clients, in our staff who work tirelessly and in partnership with others to make things happen, great things that help make positive changes.

We have many changes ahead in 2009 here at NURSES Etc STAFFING. We will be making many changes in how we do business, in order to serve our clients and communities better. I welcome you to be a

part of this exciting change - - your time and talents are treasured and are very much needed to keep NURSES Etc STAFFING a viable and dynamic organization.

We gained staffing opportunities in: Psych, Mental Health, and Long Term Care Facilities to name a few. NURSES Etc STAFFING has positioned itself in front of larger hospitals during the last quarter of 2008 and we look forward to providing a more diversified range of employment opportunities to our Health Care Professionals in 2009.
